Wow! If you've been searching high and low for a one-of-a-kind Truro home that blends Cape Cod CHARM with LUXURY flair, look no further! You'll feel right at HOME with this opulent floor-plan featuring 3 generous-sized bedrooms and 3 luxurious marble bathrooms. Attention to detail and hardwood floors throughout expand the high-end touches of this home. Special highlights include a solar system, a perfectly placed fireplace, a gourmet soapstone center island in the kitchen and gorgeous sliding glass doors in the dining area/living areas that showcase beautiful views of the Cape Cod Bay and Provincetown. The lower level of the home shows as a media/entertainment room with an en suite bedroom and private patio with it's own outdoor shower. Truly a prestigious home to enjoy life on Cape Cod.
